*Teaching and Learning Center*

The LCPS ELA team, as part of the Teaching and Learning Center, is committed to supporting and empowering our teachers through purposeful learning experiences. We collaborate with administrators and teachers to build capacity in our schools in impactful instructional practices and Common Core State Standards driven content. Our department supports literacy learning and development of all students by providing high quality individualized support for teachers and schools. Our purpose is to utilize research based and proven pedagogical practices that encompass the four modes: reading, writing, listening, and speaking when designing highly engaging, rigorous, relevant, and real-world learning opportunities that prepare students for success in college and/or future careers. Our overall focus is to encourage students to become reflective, critical, and creative learning practitioners. Our rich knowledge base in content and teaching strategies make us an asset for you and your students.

Our content specialists are here to support you! Please contact your assigned specialist if you need support in the following areas:
