

Instructional Materials Adoption for Bilingual Education Programs

Dear parents and community members,

Every seven years LCPS adopts new instructional materials to support all content areas. Our district is currently reviewing materials to support high school courses, including English Language Development, Spanish for native and non-native speakers and French. We would like to invite you to be part of this important process. If you would like to review the eligible materials and provide input as a parent or community member, please use this Google form:

- English: <https://forms.gle/ywhUDrdSuz75Wqyw6>
- Spanish: <https://forms.gle/SVdGW4tcrZ3BojN3A>

Please provide your responses by April 2, 2021 so we can include your feedback in the selection process. If you have any questions or need assistance accessing the materials or submitting the form, please contact Ruben Diaz (rdiaz5@lcps.net). Below are the links to access the digital materials for each Publisher:
