

Safe Routes to School - Las Cruces Public Schools (Updated 9/23/21)

2021 International Walk to School Day Celebrations

Walking and bicycling to school enables children to incorporate the regular physical activity they need each day while also forming healthy habits that can last a lifetime. Walking and biking programs increase safety by reducing traffic around schools as well as by teaching kids good pedestrian and bicycle safety skills. The sense of community also builds as children and parents develop walking and bicycling buddies and chat with neighbors on the sidewalk or path.

Please join us for any of these Walk to School Day (W2SD) events, or on the regular weekly or monthly Walking School Buses. For route maps: <http://www.lcps.net/public-safety/safe-routes-to-school/>

For more information: Ashleigh Curry, SRTS Program Coordinator, acurry@lcps.net or 575-527-6007 or 575-202-1317
